DMA stakeholder workshop – "App store related provisions"

6 March 2023

9:00 – 9:30	**Registration and coffee.**
9:30 – 9:45	**Opening remarks:** European Commission.
9:45 – 11:45	**Panel 1 – "Giving choice to app developers: how to implement the rules relating to in-app payment systems, steering and consumption-only apps?"** **Examples of questions to be discussed:** o Scope of Articles 5(7), 5(4) and 5(5) DMA o What are the implications of Articles 5(7), 5(4) and 5(5) DMA for app store providers? o How should app store providers prepare for compliance? o How should compliance look like from the app developers' perspective? What changes are required to the current app store rule books? **Introduction by Prof. Dr. Viktoria Robertson and interventions by 4 panellists, followed by Q&A with the audience.** **Panellists:** BEUC, Developers Alliance, France Digitale, Spotify. **Moderator:** European Commission.
11:45 – 12:00	**Martijn Snoep** (Chairman of the Netherlands Authority for Consumers and Markets) – Follow-up to Panel 1: forward-looking remarks and insights.
12:00 – 13:00	**Lunch break.**
13:00 – 14:30	**Panel 2 – "Fostering contestability: Web based apps, sideloading and alternative app stores – compliance models"** **Examples of questions to be discussed:** o What is sideloading and how can it be implemented in practice?

	o Scope of Articles 6(4) and 5(7) DMA – in relation to alternative web browser engines – and implications for potential gatekeepers o What reasonable safeguards can potential gatekeepers put in place to ensure security and integrity of their devices? o What are credible compliance solutions available to gatekeepers that minimise security risks? **Introduction by Prof. Dr. Jan Krämer and interventions by 3 panellists, followed by Q&A with audience.** **Panellists**: Apple, European Games Developer Federation, Open Web Advocacy. **Moderator:** European Commission.
14:30 – 15:00	**Coffee break.**
15:00 – 16:45	**Panel 3 – "Applying FRAND conditions of access to app stores: what practical considerations to take into account?"** **Examples of questions to be discussed:** o What does FRAND applied to app stores mean? What is the scope of Article 6(12) DMA in this context? o When are app store (access) FRAND? o How to determine when an app store service fee is FRAND? **Introduction by Prof. Dr. Rupprecht Podszun and interventions by 4 panellists, followed by Q&A with the audience.** **Panellists:** Google, Match Group, Schibsted, the App Association. **Moderator:** European Commission.
16:45 – 17:00	**Closing remarks**: European Commission.
17:00	**End of conference**
