

TEMPLATE FORM FOR REPORTING PURSUANT TO ARTICLE 11 OF REGULATION (EU) 2022/1925 (Digital Markets Act) (Compliance Report)

Date of last update: 9 October 2023

The Commission may regularly update this template to request further information which gatekeepers should provide. In particular, the Commission may require specific testing, or indicators and measures to verify whether a gatekeeper has demonstrated effective compliance with a specific obligation laid down in Articles 5 to 7 of Regulation (EU) 2022/1925. Gatekeepers should therefore refer to the latest version of this template available on the Commission’s website for the Digital Markets Act (see [link](#) here).

If the gatekeeper had previously submitted a Compliance Report, it shall highlight in the latest version of the Compliance Report and of the non-confidential summary the differences compared to the previous version of the Compliance Report and the non-confidential summary thereof (e.g., by submitting a redline version in addition to a clean version). For the avoidance of doubt, this extends to the relevant annexes to the Compliance Report submitted by gatekeepers.

The Compliance Report (including annexes), the non-confidential summary thereof and any underlying data should be provided in a machine-readable format, i.e., with searchable and recognisable text.

If the gatekeeper has a retention policy in relation to any document responsive to the requirements of this template or forming part of the Compliance Report, it shall disclose such policy to the Commission without undue delay.

INTRODUCTION

Pursuant to Article 8(1) of Regulation (EU) 2022/1925¹, gatekeepers shall demonstrate effective compliance with the obligations laid down in Articles 5 to 7 of Regulation (EU) 2022/1925. Pursuant to Article 11 of Regulation (EU) 2022/1925, every gatekeeper shall provide the Commission, within 6 months after its designation pursuant to Article 3 of that Regulation, with a report describing, in a detailed and transparent manner, the measures that it has implemented to ensure compliance with the obligations laid down in Articles 5 to 7 of that Regulation (the “Compliance Report”), and with a non-confidential summary of that Compliance Report. Pursuant to Article 11(2) of Regulation (EU) 2022/1925, the gatekeeper shall update that Compliance Report at least annually.²

This template specifies the minimum information that gatekeepers should provide in the Compliance Report.

The Commission considers that the provision by a gatekeeper of true, correct and complete information listed in this template is necessary for its assessment of a gatekeeper’s

compliance with Article 8(1) of Regulation (EU) 2022/1925. Failure by a gatekeeper to provide such true, correct and complete information may influence the Commission’s prioritisation in opening proceedings with a view to the possible adoption of a non-compliance decision pursuant to Article 29(1), point (a), of Regulation (EU) 2022/1925.

In order to demonstrate compliance as required by Article 8(1) of Regulation (EU) 2022/1925, the Commission expects gatekeepers to engage in a regular compliance dialogue with users of the relevant services and with the Commission, including an ongoing reporting to the Commission, in particular when new compliance measures are elaborated and put into place and/or when events impact gatekeepers’ compliance with Regulation (EU) 2022/1925.

SECTION 1

Information about the reporting undertaking

- 1.1. Please provide the name of the undertaking submitting the Compliance Report (the “Undertaking”).
- 1.2. Please provide the following information regarding the drafting of the Compliance Report:

 - 1.2.2. provide contact details³ of all external legal or economic counsel or external technical experts (together, “external counsel”) involved in drafting the Compliance Report and whether they present guarantees in terms of independence, qualifications and absence of conflicts of interests, similar to the approval requirements for monitoring trustees under EU merger control.⁴ Provide also the original written Power of Attorney for such representative(s) (based on the model Power of Attorney available on the Commission’s website⁵).

SECTION 2

Information on compliance with the obligations laid down in Articles 5 to 7 of Regulation (EU) 2022/1925

Information in this Section should be provided in separate and standalone annexes for each core platform service for which the Undertaking has been designated as a gatekeeper pursuant to Article 3 of Regulation (EU) 2022/1925.

³ Please use the “eRFI contact details template” on the DMA website: https://digital-markets-act.ec.europa.eu/about-dma/practical-information_en#templates.

⁴ In order to assess whether external counsels meet or not these characteristics, please refer to the conditions for approval of monitoring trustees under EU merger control as set out in paragraphs 123 to 127 to the Commission notice on remedies acceptable under Council Regulation (EC) No 139/2004 and under Commission Regulation (EC) No 802/2004 (2008/C 267/01). There is no obligation under Regulation (EU) 2022/1925 that compliance should be monitored by external consultants meeting these conditions.

2.1. For each core platform service in relation to which the Undertaking has been designated as a gatekeeper pursuant to Article 3 of Regulation (EU) 2022/1925 and for each applicable obligation laid down in Articles 5 to 7 of Regulation (EU) 2022/1925,⁶ please provide the following information:

2.1.1. The following statement confirming compliance with the obligation in line with Article 8(1) of Regulation (EU) 2022/1925: *‘[Name of the Undertaking] confirms that as of [DATE] it has ensured compliance with the obligation laid down in Article [reference to the Digital Markets Act’s Article/paragraph specifying the obligation] of Regulation (EU) 2022/1925.’*

Please provide a detailed description of any measures that ensure such compliance, indicating whether such measures were already in place pre-designation or if they were implemented post-designation.

The description of all the above-mentioned measures must enable the Commission to verify whether the Undertaking has demonstrated compliance pursuant to Article 8(1) of Regulation (EU) 2022/1925 and should, at a minimum, include:

i) an explanation on how the Undertaking complies with the obligation based on all measures that were already in place pre-designation or that the Undertaking has implemented post-designation, and

⁶ The information listed in Section 2 may be omitted for the obligations that are listed in response to Section 2.3 on condition that it can be established that a specific obligation laid down in Articles 5 to 7 of Regulation (EU) 2022/1925 cannot, by nature, apply to the Undertaking’s relevant core platform service. If so, please explain why this is the case for the Undertaking.

⁷ The Undertaking shall have any underlying raw data ready to be made available to the Commission in the event the Commission requests this raw data.

- r) any relevant data¹⁷ which can inform whether the measure is or will be effective in achieving the objectives of Regulation (EU)

¹³ A/B testing is an experiment where the audience is randomly split to test a number of variations of a measure and determine which performs better. A/B testing and consumer surveys may be particularly well-suited to demonstrate: (i) compliance with obligations which include a change to an end-user interface and (ii) the absence of dark patterns, which could jeopardize the effectiveness of the proposed measure.

¹⁴ End user consent rates refer to the percentage of end users who provided consent to the data processing for which end user consent is required under Regulation (EU) 2022/1925 (for instance Articles 5(2) and 6(10)).

2.1.3. A detailed explanation of how the Undertaking has assessed compliance with the obligation, including whether any assessment projects, such as external or internal audits have been carried out. For all such assessment projects, provide information about the identity and the role of the people involved and whether they are independent from the Undertaking, the assessment methodology and timeline for the relevant assessment project, and any output (e.g., audit reports or compliance plans).

2.1.4. A list and description of any reports prepared by the head of the compliance function for the management body of the Undertaking in relation to Regulation (EU) 2022/1925 and, in particular, on risks of non-compliance within the meaning of Article 28(4) of Regulation (EU) 2022/1925 and of the management body's replies to those reports, including a list and description of the measures taken in response to those reports.

- 2.3. If applicable, the reasons why the Undertaking considers that a specific obligation laid down in Articles 5 to 7 of Regulation (EU) 2022/1925 cannot by nature apply to the Undertaking's relevant core platform service (i.e., because it is clear from the text of Regulation (EU) 2022/1925 that a specific obligation does not apply to a core platform service). For the avoidance of doubt, this section does not cover situations governed by Articles 9 or 10 of Regulation (EU) 2022/1925.

To this end, the non-confidential summary should:
- a) comprise self-standing texts that give a faithful comprehensive and meaningful picture of the Compliance Report's content. Information may be omitted in the non-confidential summary only if it constitutes the Undertaking's business secrets or if the information is otherwise confidential.²⁰
